**Desk&More workspaces  
help your business  
get more done**

**We give freelancers, start-ups and small  
size companies the space they need to  
fulfil their potential.**

Everything  
your  
business  
requires

so much **MORE**

Desk&More offers you a wide range of membership plans tailored to best meet your current needs with versatile lease options.

You choose where, how and when you would like to work, making our dynamic environment a place you'll look forward to coming. With Desk&More you are gaining more than just a space to work, you are becoming a part of a community of talented like-minded professionals.

## Prime Locations

We chose buildings in central locations connected to the rich history and culture of the area. Our architects have taken special care to preserve and reflect the cultural importance of the area in the modern and functional designs of our themed flexible workspaces.

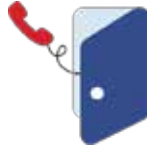

With our prime locations, innovative design, advanced technology infrastructure and amenities paired with our affordable and flexible membership options, we have what your business needs to fulfil its potential.

## The Zoo

————— Boulevard vojvode Bojovića 8

Desk&More the Zoo, spreading on 4,400m<sup>2</sup> within a renovated former textile factory, is a unique, colossal space. Situated moments away from the main pedestrian street, Knez Mihailova, the Zoo workspace offers an inspiring, enjoyable work atmosphere. The abundance of natural light and beautiful scenery around the location make this workplace especially attractive for visitors and members. Numerous shops, restaurants, cafes, and bus lines can also be found nearby.

## Focus and socialize in any of distinct working areas:

- A large, peaceful coworking area allows renting fixed or flexible desks
- Space for each private office can accommodate up to fifteen and more working stations
- A communal area is ideal for mingling and expanding your professional network
- A number of meeting rooms and a multi-functional conference hall which is fully equipped with the latest technology and can host up to 130 people

Singular private offices can be merged into more capacious exclusive spaces if needed.

## Kod Vuka

Boulevard kralja Aleksandra 79

Desk&More kod Vuka is a functional, inspiring workspace located in the center of the vivacious city with plenty of shops, cafes, and restaurants nearby. Designed to pay homage to Vuk Karadžić, linguist and the greatest reformer of the Serbian language, it creates a comfortable and enjoyable workspace.

With a train station nearby and several bus lines available, getting to your new office will never be a problem.
